

The UVscenic includes two methods of disinfection to accomplish a perfect sterilisation of the pool water without adding any chemicals. The low salinity electrolysis (from 1,5 gr/NaCl) produces persistent oxidants. The water is also exposed to UV-C radiation which additionally helps neutralize bacteria, viruses and germs.

## PISCINAS PÚBLICAS PUBLIC SWIMMING POOLS

Modelo	Piscinas privadas exteriores +28°C	Piscinas públicas	Descripción	Componentes
Model	Private outdoor swimming pools +28°C	Public swimming pools	Description	Components
DSUV85		125 m <sup>3</sup>	<b>Ultravioleta + Electrólisis 85 de baja salinidad (desde 1,5 gr/l NaCl)</b> <i>Ultraviolet + Low salinity electrolysis 85 (from 1,5 gr/l NaCl)</i>	<b>Caja electrónica / Soporte UV 50-63 mm / 2 lámparas ultravioleta 55 W unid. / Celula titanio / Soporte PVC transparente 110 mm</b> <i>Electronic box / UV support 50-63 mm / 2 ultraviolet lamps 55 W-unit / Titanium cell / Transparent PVC support 110 mm</i>
DSUV125		220 m <sup>3</sup>	<b>Ultravioleta + Electrólisis 125 de baja salinidad (desde 1,5 gr/l NaCl)</b> <i>Ultraviolet + Low salinity electrolysis 125 (from 1,5 gr/l NaCl)</i>	<b>Caja electrónica / Soporte UV 50-63 mm / 4 lámparas ultravioleta 55 W unid. / Celula titanio / Soporte PVC transparente 110 mm</b> <i>Electronic box / UV support 50-63 mm / 4 ultraviolet lamps 55 W-unit / Titanium cell / Transparent PVC support 110 mm</i>
DSUV175		300 m <sup>3</sup>	<b>Ultravioleta + Electrólisis 175 de baja salinidad (desde 1,5 gr/l NaCl)</b> <i>Ultraviolet + Low salinity electrolysis 175 (from 1,5 gr/l NaCl)</i>	<b>Caja electrónica / Soporte UV 50-63 mm / 4 lámparas ultravioleta 55 W unid. / Celula titanio / Soporte PVC transparente 110 mm</b> <i>Electronic box / UV support 50-63 mm / 4 ultraviolet lamps 55 W-unit / Titanium cell / Transparent PVC support 110 mm</i>
DSUV250		400 m <sup>3</sup>	<b>Hidrólisis 350 + Floculación por ionización Cu/Ag</b> <i>Hidrolisis 350 + Flocculation via Cu/Ag ionization</i>	<b>Caja electrónica / Soporte UV 50-63 mm / 6 lámparas ultravioleta 55 W unid. / Celula titanio / Soporte PVC transparente 110 mm</b> <i>Electronic box / UV support 50-63 mm / 6 ultraviolet lamps 55 W-unit / Titanium cell / Transparent PVC support 110 mm</i>
